Background: Intergenerational Week 2026 shall be recognized Sunday, December 6th through Saturday, December 12th, wherein all citizens are encouraged to promote intergenerational understanding and acceptance, and participate in the week's activities.

Ahead of Intergenerational Week, the Parks & Recreation Department and Committee on Aging launched the "Creative Expressions" contest at the start of the school year. The contest

was designed to honor and celebrate the diverse backgrounds, ages, and experiences that enrich our community, as well as the gifts people share with one another during this special week. The contest was open to all 6th through 8th grade students living in, or attending school, in Dunedin, who could participate by submitting an essay, poem, or artwork. The following three (3) students were selected as winners by the Committee on Aging:

First Place: Alisa Sulimova;
Second Place: Ryan Schmidt; and
Third Place: Joseph Azofeifa

Awards have been generously provided to the winners by the Area Agency on Aging of Pasco-Pinellas.
