Staff Comments

The Planning Department completed the second class of Fuquay-Varina Citizenâ€™s Planning Academy on October 29th. The program aims to provide a basic understanding of the Planning Departmentâ€™s role in shaping Fuquay-Varinaâ€™s growth and to equip residents with the knowledge needed to engage in projects and share information within the community.

Participants from across the Town's jurisdiction participated in a five (5)-week course covering planning basics, long-range planning, current planning, and code compliance. They completed activities including a mock neighborhood meeting, a mock Planning Board meeting, identifying code compliance violations, and stepping into planners' shoes to determine development.

The Planning Department is pleased to present the second class of the 2026 Town of Fuquay-Varina Citizen's Planning Academy to the Fuquay-Varina Town Board.
