Agenda Item

Recognition - Fire Department New Hires - Badge Pinning - (Jones) - Item 4.B

Item Explanation

The purpose of this agenda item is to introduce two new firefighters recently hired to fill vacancies.

Staff Comments

The Fuquay-Varina Fire Department recently completed a Firefighter hiring process to fill two vacant firefighter positions and hired Peyton Garner and Nathan Manness. Both firefighters have limited volunteer and career firefighter experience in other departments. Still, they impressed the hiring panel with their enthusiasm and strong desire to work for the Town of Fuquay-Varina.

Peyton Garner, from the Sanford, NC area, has been in the fire service for four years. In that time, he has served as a volunteer with the Pocket Fire Department in Lee County and most recently as a career firefighter with the Asheboro Fire Department in Randolph County.

Nathan Maness is from the Carthage, NC area and has been in the fire service for about two years. He has served as a volunteer with Carthage Fire and Rescue and as a part-time firefighter with Cypress Point Fire and Rescue, both in Moore County.

These new firefighters completed their Orientation Period on Friday, October 16, 2026, and have now been assigned to a shift.
