BACKGROUND & ANALYSIS

The American Canyon Fire Protection District's Fire Explorer Program provides young adults with an opportunity to learn about the fire service through hands-on training, mentorship, leadership development, and community service. The program is designed to introduce participants to the fire service profession while fostering teamwork, responsibility, and civic engagement.

Fire Captain Robert Rojas will provide the Board with an update on the Fire Explorer Program, including recent activities, accomplishments, training opportunities, community outreach efforts, and future program goals. The presentation is intended to keep the Board informed of the program's progress and ongoing efforts to engage and develop future fire service professionals.

This item is presented for informational purposes only. No action or direction is requested of the Board.
