BOARD AGENDA
JULY 28, 2026

STAFF REPORT
BUSINESS
ITEM NUMBER: 8.

TITLE

Industrial Disability Retirement of Firefighter Nathan Kreps

RECOMMENDATION

Approve a Resolution determining the Industrial Disability Retirement of Firefighter Nathan Kreps, a District Safety employee covered by contract with the California Public Employees Retirement System.

CONTACT

Cliff Campbell, Acting Fire Chief

BACKGROUND & ANALYSIS

The American Canyon Fire Protection District ("District") is a contracting agency with the California Public Employees' Retirement System ("CalPERS") for certain District employees, including Firefighter Nathan Kreps, who applied for a disability retirement on April 1, 2026.

Government Code Section 21156 (a)(2) requires that the governing body of a CalPERS contracting agency, such as the District, certify to CalPERS whether a safety member who applies for disability retirement is incapacitated for the performance of his or her usual and customary duties.

An evaluation has been presented in Closed Session based on the review of relevant evidence as to whether the District Board can determine that Firefighter Nathan Kreps is incapacitated within the meaning of the Public Employees' Retirement Law for the performance of his duties in the position of Firefighter. The Board's determination must be based upon competent medical opinion and other relevant evidence as required by Government Code section 21156.

Consistent with Government Code section 21156 (a) (2) and applicable law, the District Board should also determine whether any incapacity is a result of injury or disease arising out of, and in the course of, his employment as a local safety member.

FISCAL IMPACT

The American Canyon Fire Protection District ("District") is a contracting agency with the California Public Employees' Retirement System ("CalPERS") for certain District employees, including Firefighter Nathan Kreps, who applied for a disability retirement on April 1, 2026.

Government Code Section 21156 (a)(2) requires that the governing body of a CalPERS contracting agency, such as the District, certify to CalPERS whether a safety member who applies for disability retirement is incapacitated for the performance of his or her usual and customary duties.

There is no direct fiscal impact resulting from the Board's determination regarding Mr. Kreps' Industrial Disability Retirement application. The District has been providing Advance Disability Pension Payments (ADPP) while the application is being processed by CalPERS. If the application is approved, reimbursement of eligible ADPP payments will be administered in accordance with applicable CalPERS procedures.

BOARD PRIORITY PROGRAMS AND PROJECTS

Public Safety: "Ensure American Canyon remains a safe community"
