BACKGROUND & ANALYSIS

The former Skatepark was temporarily located behind the Phillip West Aquatics Center, adjacent to the American Canyon Middle School Gymnasium. It was fenced off and closed to the public during school hours. The City of American Canyon's Municipal Code 12.04.051, titled "Skate Park Use - Use of or Trespass at Skate Park When Closed," outlined the rules and regulations for the use of this temporary skatepark.

In 2022, the City and the Napa County Unified School District agreed to a property exchange, resulting in the relocation of the Skatepark to Veterans Memorial Park. The new facility was constructed and opened in April 2024, with temporary rules and signage in place. In response to the relocation and newly constructed Skatepark, an update to the Municipal Code is necessary. City staff, in collaboration with the City's Risk Management team, are recommending an update to Municipal Code 12.04.051 (Attachment 1). On November 14, 2024, the Parks and Community Services Commission reviewed the proposed updates and recommended that the City Council adopt the revised Municipal Code. This update will establish comprehensive rules and regulations for the Skatepark's operation, ensuring alignment with current risk management best practices and standards for a skatepark facility.

The adoption of this ordinance will repeal and replace the current rules and regulations, modernizing the Skatepark's guidelines to meet current risk management expectations. Additionally, it will rename Municipal Code 12.04.051 to "Skatepark Rules and Use."

COUNCIL PRIORITY PROGRAMS AND PROJECTS

Organizational Effectiveness: "Deliver exemplary government services."

FISCAL IMPACT

The fiscal impact will be \$3,500 to replace and update the Skatepark signage, which will be funded through the Parks and Facility Maintenance budget, 100-50-540-42310 and was included in the Mid-Year 2024-25 Budget Update.
