SUBJECT: 2023/24 ASPHALT STREET PAVEMENT IMPROVEMENTS PROGRAM #2

BACKGROUND:

This is the annual program for reconstruction or rehabilitation of deteriorated asphalt streets to prevent premature breakdown of the pavement and increasing maintenance costs. **For this project, full-depth reconstruction is necessary due to cases of structural pavement failure. This project is located on E 7th St (Crawford – East End).**

On January 17, 2024, bids for the project were received as follows:
