COUNCIL ACTION FORM

SUBJECT: **2025/26 COLLECTOR STREET PAVEMENT IMPROVEMENTS
(BLOOMINGTON ROAD)**

BACKGROUND:

The Collector Street Pavement Improvements is an annual program for reconstruction or rehabilitation of collector streets in the Capital Improvement Plan (CIP). The FY 2025/26 project location is Bloomington Road from George Washington Carver Avenue to 500 feet west of Eisenhower Avenue. **This project will include the mill and overlay of the existing asphalt surface of Bloomington Road, pedestrian ramp updates at the intersection of Bloomington Road and Stange Road, and the replacement of the shared-use path on the south side of the project.**

Staff initiated a Request for Proposals (RFP) process for professional services for the design and development of plans and specifications for the project. Proposals for this work were received from 11 engineering firms on May 28, 2025. **The proposals were evaluated on their qualifications according to the following criteria: Project Understanding, Project Approach, Design Team/Key Personnel, and Previous Experience.** The evaluation scores are as follows:

Firm	Qualifications Score	Qualifications Rank
Stanley Consultants	92.3	1
McClure	92.1	2
MSA	91.5	3
