Subject: New Class C Retail Liquor License with Outdoor Service - Buffalo Wild Wings, 400 South Duff Avenue

Please see attached documentation for a new Class C Retail Alcohol License with Outdoor Service - Buffalo Wild Wings, 400 South Duff Avenue.

The Alcoholic Beverages Division (ABD) recently changed their definition of timely filed status. Under this new definition, the dramshop insurance provider must endorse the renewal application *before* the license expiration date. If the renewal application is not endorsed by the insurance provider before the license expiration date, the license will be cancelled, and the applicant will no longer be able to operate under the license.

Buffalo Wild Wings initiated their renewal application, however, their dramshop insurance provider did not endorse the application prior to the license expiration on March 6, 2026. The alcohol license for Buffalo Wild Wings has been cancelled by ABD and ABD has directed Buffalo Wild Wings to apply for a new alcohol license.
