

CITY OF BANNING STAFF REPORT

TO: YOUTH COUNCIL

FROM: Ralph Wright, Parks and Recreation Director

PREPARED BY: Amanda Morgan, Program Coordinator

MEETING DATE: May 5, 2026

SUBJECT: Discuss appointing Youth Council Members to provide a presentation to the City Council

BACKGROUND:

In accordance with the established ordinance, the Youth Council must fulfill its responsibility of reporting to the City Council regarding all activities that the Youth Council has either initiated and participated in throughout the year, and the established goals the Youth Council has set. This report can be a verbal report given at a Banning City Council meeting and serves not only as a summary of the council's accomplishments but also as a way to demonstrate its ongoing commitment to serving the community and fostering youth engagement.

The June 9, 2026, meeting of the Banning City Council would be an appropriate date to present the report, should chosen members be available that date.

Staff recommends that the Chair consider appointing outgoing members, who have firsthand experience and insight into the council's operations, to take on the task of delivering the presentation. Alternatively, the Chair could opt to appoint other members to present the report.
