TO: CITY COUNCIL

FROM: Douglas Schulze, City Manager

PREPARED BY: Laurie Sampson, Assistant City Manager

MEETING DATE: June 25, 2024

SUBJECT: Consideration of Resolution 2024-102, Approving a Cooperative Agreement Between the City of Banning, the City of Beaumont, and the County of Riverside to Share the Cost of a Fire Engine Company

RECOMMENDATION:

Adopt Resolution 2024-102.

BACKGROUND:

The City of Banning has contracted with Riverside County Fire Department/CalFire, for Fire Protection, Fire Prevention, Rescue, Fire Marshall and Medical Emergency Services since 1991.

This agreement has been approved in three-year increments. The current agreement was set to expire on June 30, 2024.

JUSTIFICATION:

The City of Banning requested an additional Fire Safety Supervisor be added to our contract on Resolution 2023-195 on December 12, 2023. Riverside County amended the agreement to add that position and extend the agreement to June 30, 2025.

The Cooperative Agreement between the City of Banning, The City of Beaumont, and the County of Riverside to share the cost of a fire engine company was not included in this amendment. This amendment provides service sharing with Station 20 located at 1550 E. Sixth Street in Beaumont until June 30, 2025. Station 20 provides most all services to District 3 and parts of District 4.

The City wishes to amend this agreement to June 30, 2025 to align with the Cooperative Agreement to Provide Fire Protection, Fire Prevention, Rescue, Fire Marshall and Medical Emergency Services.

FISCAL IMPACT:

The cost of the agreement is \$874,471. The cost of this amendment is included in the original Cooperative Agreement.

ALTERNATIVES:

If City Council chooses not to approve this amendment, the City of Banning will not have access to services provided by Station 20 and all services required for the City of Banning will be provided by Station 89 located at 172 E. Murray Street.
