

CITY OF BANNING STAFF REPORT

TO: PARKS AND RECREATION COMMISSION

FROM: Ralph Wright, Parks and Recreation Director

PREPARED BY: Scott Foster,

MEETING DATE: October 15, 2025

SUBJECT: Parks and Recreation Monthly Report of Activities for the Months of March, April, May, and June 2025.

RECOMMENDATION:

The the Parks and Recreation Commission review, discuss and approve the monthly report of activities for the months of March, April May, and June 2025.

BACKGROUND:

The Monthly report of activities is a report compiled each month and aligned with the twelve month fiscal year for the City of Banning Parks and Recreation Department from July through June. The attached monthly report of activities is for the months of March, April May, and June 2025, the ninth thru twelfth month of Fiscal year 2024/2025. The monthly report of activities is a valuable tool used to track the participation and facility usage indicators throughout the department's program and service areas. Depending on the service areas, ongoing monthly totals, year to date totals and year over year comparison data are included in the report.

The information provided in the report can provide the necessary data to aid in the decision making process for the use of limited facility space and department funding. The monthly reports consists of ten pages of data illuminating parks and facility usage, sports and program participation, Senior activities and services, aquatics, as well as large scale special events. The department also tracks participation in programs supported through the Outdoor Equity Program grant and the Banning Connect ridership numbers for the City of Banning.
