To: City Council
From: Deston Dishion
Subject: **Approve Proposed Resolution that Amends the Retirement Medical Benefit for Newly Elected City Councilmembers.**
Prepared On: February 21, 2024
Attachments: Resolution No. 2024-(xx) Regarding City Council Benefits 2024 02 26.pdf

Background/History:

In 1996 the City of Bishop adopted a Resolution to to allow qualifying retired Councilmembers to receive retiree health benefits.

Analysis/Discussion:

After multiple amendments to the retiree health benefit program over the past 28 years City Staff has been tasked with revisiting this benefit. Due to cost and the and the average amount of years that Councilmembers actually serve, the benefit of retiree health no longer seems commensurate.

Economic Impacts:

None

Budget Impacts:

A cost savings will be realized over time.

Legal Review:

City Attorney Pucci has reviewed this item and finds that the recommended action complies with the law.

Recommended Action:

Approve proposed Resolution removing Retiree Health Care for newly elected Council Members beginning with newly elected Council Members as of November 1, 2024.
