

Agenda Item: 9.A
Date of Meeting: August 10, 2026
Department: Community Services

STAFF REPORT

To: City Council
From: Dan McElroy
Subject: **Reject and Readvertise Bids for the Field 6 Rehabilitation Project.**
Prepared On: August 5, 2026

Background/History:

The Field 6 Rehabilitation Project was given approval to advertise by the City Council on June 22, 2026. The project was advertised on July 2, 2026, with a bid opening on July 22, 2026, at 2pm. The Community Services Department conducted a mandatory Job-walk on July 15, 2026, at 2pm. Three bids were received and recorded on July 22, 2026, at 2pm.

Analysis/Discussion:

After reviewing the submitted bids, staff recommends rejecting all bids. Staff would seek authorization to re-advertise for the Field 6 Rehabilitation Project.

Impacts to Council Goals and Strategic Planning Priorities:

Field 6 Rehabilitation Project has been identified as a priority project for the Strategic Plan Objective 1:2 Support community spaces: create and maintain partnerships.

Budget Impacts:

No construction contract will be awarded at this time. Rejecting all bids will not result in additional project expenditures other than the administrative costs associated with revising and re-advertising the project. Project funding will remain available for future construction upon successful completion of a subsequent bidding process.

Legal Review:

Attorney Pucci has reviewed this item and finds that the recommended action complies with the law.

Recommended Action:

City Council to reject all bids received for the Field 6 Rehabilitation Project and authorize staff to re-advertise the project with revised bid documents.
