

Agenda Item: 18.B
Date of Meeting: July 27, 2026
Department: Community Services

STAFF REPORT

To: City Council
From: Dan McElroy
Subject: **Authorization and Approval for Southern California Edison Field 6 Rehabilitation Project Expenditure**
Prepared On: July 21, 2026
Attachments: Invoice Discount TD2511481 - 560 Spruce, Field 6 Lights
Appendix A Discount TD2511481 - 560 Spruce, Field 6 Lights

Background/History:

The Field 6 Rehabilitation Project has been selected as a priority project in the City of Bishop Strategic Plan. During the planning efforts for this project, the Community Services Department has worked with Field 6 Rehabilitation Project Engineer Wood Rodgers and Southern California Edison to provide power to the Field 6 location at the Bishop City Park. The Field 6 Rehabilitation Project Phase 1 is to include power for new irrigation timers, a booster pump, and potential for future field lighting. In July of 2025, Southern California Edison was contacted to investigate a new power source for Field 6. Through this investigation by Southern California Edison, the best option was to add a new power pole at the City Park Field 3 south east location, this would allow a selected contractor to trench and deliver power to the Field 6 location.

Analysis/Discussion:

Southern California Edison has provided an invoice in the amount of \$51,120.19 for the Southern California Edison portion of the Field 6 Rehabilitation Project. The Southern California Edison portion of the Field 6 Rehabilitation Project has been accounted for in the Engineer's Estimate by Wood Rodgers in the amount of \$50,000 and is accounted for within the Parks and Recreation Capital Improvement GL account 001-031-56027.

Impacts to Council Goals and Strategic Planning Priorities:

The Field 6 Rehabilitation Project has been identified as a priority project in the Strategic Plan Objective 1.2 Support community spaces; create and maintain partnerships.

Budget Impacts:

The FY 2026-27 Adopted Budget includes appropriation for this expense.

Legal Review:

City Attorney Pucci has reviewed this item and finds the recommended action complies with the law.

Recommended Action:

City Council to approve the expenditure of \$51,120.19 for Southern California Edison improvement for the Field 6 Rehabilitation Project and authorize the City Administrator to sign the Discount Option Electrical Line Extension Agreement from Southern California Edison.
