Field 6 Bid Estimate

Background/History:

The Field 6 Rehabilitation Project was identified as a priority project in the City's Strategic Plan. An engineering vendor, Wood Rodgers was selected to draft the design plans, engineering estimate, and specifications for this project. Documents for the Field 6 Rehabilitation Project have been completed and are ready for public bidding.

Analysis/Discussion:

The Field 6 Rehabilitation Project is now at a stage where construction bids can be solicited. Advertising for bids will allow qualified contractors to submit competitive proposals for completing work. Community Services staff will evaluate all bids received and return to the City Council with a recommendation for contract award at a future meeting.

Impacts to Council Goals and Strategic Planning Priorities:

The Field 6 Rehabilitation Project was identified as a priority project in the City of Bishop Strategic Plan in 2025.

Budget Impacts:

If allowed to move forward, the budget impacts will be \$1,294,00 to the 2026-2027 Parks Budget Capital Improvement 001-031-56027, for the construction of the Field 6 Rehabilitation Project.

Legal Review:

Attorney Pucci has reviewed this item and finds that the recommended action complies with the law.

Recommended Action:

City Council to authorize the advertisement and solicitation for the Field 6 Rehabilitation

Project and authorize the City Administrator to take actions to proceed with the bidding process.
