Proposed Resolution R25-248- Approval of Memorandum of Understanding (MOU) with Solid Waste Authority of Palm Beach County (SWA) for Authorization & Use of Debris Management Site.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-248.

Explanation of Request: The Florida Legislature passed SB 180 (Emergencies), effective July 1, 2025, requiring municipalities to coordinate with the Solid Waste Authority of Palm Beach County (SWA) for debris management during declared emergencies.

The attached MOU establishes a cooperative framework between the City and SWA, enabling the City to access and utilize designated debris management sites operated by SWA in the event of a natural disaster or similar emergency. This MOU supplements the existing Interlocal Agreement executed between the City and SWA (2022).
