Proposed Resolution No. R26-051- Appoint a City Commission representative and alternate to the Countywide Intergovernmental Coordination Program.

Requested Action: Staff recommends approval of Proposed Resolution No. R26-051.

Explanation of Request:

The Countywide Intergovernmental Coordination Program has been in place for several years under the auspices of two interlocal agreements that were signed by all municipalities, the School Board, the Water Management District, and several special districts. The members of this Forum meet quarterly to discuss issues of inter-jurisdictional significance. Each individual local government decides the length of the term.

Commissioner Aimee Kelley is currently serving as the representative, and Mayor Rebecca Shelton is currently serving as the alternate.

How will this affect city programs or services? Maintain awareness and have input into matters of inter-jurisdictional significance.
