

City of Boynton Beach Agenda Item Request Form

Meeting Date: 02/17/2026

Proposed Resolution No. R26-023- Approve the Renewal Letter extending the Interlocal Agreement between the City of Boynton Beach and the Boynton Beach Community Redevelopment Agency for funding an on-demand transportation services pilot program for a one-year period.

Requested Action: Staff recommends approval of Proposed Resolution No. R26-023.

Explanation of Request: The CRA Board approved the contract with Circuit, Inc., for the CRA pilot ride-share program, which provides all-electric on-demand transportation services.

In order to provide dedicated parking locations, electrical service for the charging, ride share service to the Ocean Front Beach Park, and potential fixed route ride share service for City Events, an Interlocal Agreement with the City was required to fund any service outside of the CRA boundaries and allow reimbursement of EV charging costs. This item approves the renewal of the agreement for an additional 1-year term.

How will this affect city programs or services?

The service will serve visitors, residents, and workers by providing a convenient, efficient mobility option to circulate primarily throughout the BBCRA boundaries and transportation to Oceanfront Park.

Budgeted Item: Yes
