

City of Boynton Beach Agenda Item Request Form

Meeting Date: 08/19/2025

Proposed Resolution No. R25-215- Approving the Work Experience Program and approving a standard template Agreement between the City and Palm Beach School for Autism, Inc.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-215.

Explanation of Request: Project Next, Palm Beach School for Autism's transition program, is designed to support individuals with autism as they navigate adulthood. Part of this program includes community-based training activities, including learning job skills at different businesses in the community. Three to four students, ages 17 to 22, currently enrolled in the summer Project Next program, are interested in a work experience program at the Links and the Senior Center. The students' teacher would accompany them as they learn different job skills at the Links and Senior Center, one day a week from 10 A.M.-1 P.M.

How will this affect city programs or services? This program would benefit the City in providing assistance with various tasks, while providing an opportunity for the students to learn job skills. This program provides a pipeline of future employees that already have training.

Account Line Item and Description: N/A

Fiscal Impact: There is no fiscal impact to the budget for this item.
