

City of Boynton Beach Agenda Item Request Form

Meeting Date: 10/21/2025

Discussion regarding parking Ordinance.

Requested Action: Proposed Ordinance No. 25-018- Second Reading, An ordinance of the City of Boynton Beach, Florida amending Chapter 14 "Motor Vehicles and Traffic," Section 14-5 "Stopping, standing, parking, or storage prohibited in specified places," and creating new sections thereunder; providing for conflicts, severability, codification; and providing an effective date. **This item was tabled at the September 2nd Commission Meeting.**

Explanation of Request: The City's current parking regulations under Section 14-5 have not been comprehensively updated since 2004. Staff has conducted a comparative analysis of Boynton Beach's parking standards against various municipalities located in Palm Beach County to identify potential improvements and modernization opportunities.

Proposed changes include:

- Removed language allowing vehicles to park within the public right-of-way.
- Added language prohibiting parking, stopping, standing, at any time within the right-of-way, public or private yards, swales, or easements adjacent to a paved or unpaved road or street.
- Added an exception allowing temporary parking in a yard for social or other events held at a residence, provided such parking shall not exceed eight (8) hours in a twenty-four (24) hour period.

How will this affect city programs or services? May need to outsource additional Code Enforcement Officer or Parking Enforcement Officers to consistently enforce.

Account Line Item and Description: N/A

Fiscal Impact: There is no fiscal impact to the budget for this item.
