

City of Boynton Beach Agenda Item Request Form

Meeting Date: 02/18/2025

Proposed Resolution No. R25-052- Award two (2) task order proposals, Task No. 213 with All County Paving and Task No. 196 with Atlantic Southern Paving and approve a budget amendment to appropriate funds needed to award All County Paving as the next pre-qualified vendor for the Quantum Boulevard asphalt path in the amount of \$164,980 plus a 15% contingency of \$24,747 and award Atlantic Southern Paving as the following pre-qualified vendor for the SE 3rd Street improvements in the amount of \$305,663.80 plus a 10% contingency of \$30,566.38 if needed for staff approval of change orders for unforeseen conditions for a total expenditure of \$525,957.18 based on costs provided by All County Paving and Atlantic Southern Paving. These task order proposals are issued in accordance with bid number PWE22-008 for "Asphalt and Sidewalk Rehabilitation;" as awarded by the City Commission on April 5th, 2022.

Requested Action:

Staff recommends approval of Proposed Resolution No. R25-052.

Explanation of Request:

The FY 2025 Budget was adopted in September 2024. A budget amendment is required to increase the Capital Improvement Projects expenditures due to asphalt and sidewalk work that needs to be completed throughout the City. The estimate for the projects is \$471,000 plus contingencies of \$56,000 for a total of \$527,000 of fund balance appropriation.

All County Paving will be awarded the Quantum Boulevard project. The project will include replacement of aging portions of an 8' W asphalt walking path that services the surrounding communities that is at the end of its useful service life.

Atlantic Southern Paving would be awarded the SE 3rd Street project. The project will include resurfacing the existing road segment that is currently at the end of its useful service life the subject segment that spans from SE 12th Ave to SE 6th Ave. Additionally, the pedestrian network requires sidewalk repairs, new sidewalk infill, ADA compliance, and street parking provisions due to the small ROW/setbacks on this particular segment.

How will this affect city programs or services?

These two projects will preserve neighborhoods, protect the environment, provide a more appropriate street for the community, provide friendly approaches for bicyclists and pedestrians, and increase safety.

Account Line Item and Description:

302-4905-580-63-08 - Improvements Other than Bldgs/Street Improvements.

Fiscal Impact:

CIP 302 Fund Balance appropriation of \$527,000.
