

City of Boynton Beach Agenda Item Request Form

Meeting Date: 01/20/2026

Proposed Resolution No. R26-005- Approve and authorize the City Manager to sign Amendment #5 to the grant agreement No. S0853 between the Florida Department of Environmental Protection and the City of Boynton Beach for the Oceanfront Park Wastewater Treatment Plant upgrade project.

Requested Action: Staff recommends approval of Proposed Resolution No. R26-005.

Explanation of Request:

Oceanfront Park is located at 3451 North Ocean Boulevard, Ocean Ridge, Florida. The Florida Department of Environmental Protection awarded \$300,000 in funding for the Oceanfront Park Wastewater Treatment Plant upgrade project.

The City requested changes to the agreement to ensure the project's completion. First, the City proposed removing Deliverable 2-Bidding & Contractor Selection and reallocating the \$5,000 budget from this deliverable to Deliverable 4-Construction. The reallocation will bring the total budget for Deliverable 4 to \$260,000. This adjustment will not increase the total award amount. All reporting, documentation, and compliance requirements will continue to be met in accordance with the terms of the agreement.

Additionally, the City requested an extension until September 30, 2027, for the completion of deadlines for Deliverable 3-Permitting and Deliverable 4-Construction to allow adequate time for the submission of closeout documentation and reimbursement requests. City staff is committed to completing and closing out the project within the next few months.

How will this affect city programs or services?

The requested amendment will not negatively impact City programs or services. The proposed budget reallocation and extension of the project period will allow the City to complete the project as intended while maintaining compliance with grant requirements.
