

City of Boynton Beach Agenda Item Request Form

Meeting Date: 02/ 3/2026

Discussion on a Proposed E-Bike Ordinance.

Requested Action: Review and discuss the proposed E-Bike Ordinance for approval and/or modification.

Explanation of Request: The city, as well as other cities within Palm Beach County, has seen an increase in E-Bike incidents, and the department has drafted a proposed ordinance for review and discussion.

How will this affect city programs or services? It will not directly impact City services or programs. If such an ordinance is approved by the commission, it will provide the police department with a mechanism to address the communities concerns regarding E-Bikes.

Account Line Item and Description: N/A

Fiscal Impact: The program will not create additional expense for the City. Enforcement of the ordinance by the Police Department could generate minimal revenue for the City.
