

City of Boynton Beach Agenda Item Request Form

Meeting Date: 08/ 5/2025

Discussion of comprehensive updates to municipal parking regulations and comparative analysis with various municipalities located in Palm Beach County.

Requested Action: Provide direction to staff regarding proposed amendments or additions to the City Code related to stopping, standing, parking, and storage prohibitions, with consideration of adopting enhanced standards similar to those implemented by various municipalities located in Palm Beach County.

Explanation of Request:

The City's current parking regulations under Section 14-5 have not been comprehensively updated since 2004. Staff has conducted a comparative analysis of Boynton Beach's parking standards against various municipalities located in Palm Beach County to identify potential improvements and modernization opportunities.

How will this affect city programs or services? TBD

Account Line Item and Description: NA

Fiscal Impact:

TBD
