Proposed Resolution No. R26-030- Approving a Budget Amendment to CIP Fund 303 to increase Project TR2001 by \$283,875.

Requested Action: Staff recommends approval of Proposed Resolution No. R26-029 and Proposed Resolution No. R26-030.

Explanation of Request: The SE 1st Street Streetscape Project requires Construction Engineering Inspection (CEI) and Resident Compliance Support (RCS) services to meet FDOT Local Agency Program (LAP) requirements. Staff negotiated the Task Order No. GESPW-1B-04-25 with CDM Smith, Inc. under Contract CW24-001 to provide CEI/RCS services, construction oversight, compliance documentation, and project support as outlined in Exhibit A.

To fully fund these services, a Budget Amendment to CIP Fund 303 is required to increase Project TR2001- SE 1st Street Improvements by \$283,875. This amendment aligns the available budget with the CEI/RCS scope and ensures continued progress of the LAP project as outlined in Exhibit B.

This purchase is being procured through the City's Continuing Services Contract (GES Contract) for engineering and design services. In accordance with the requirements of the Competitive Consultants Negotiation Act (CCNA), the City maintains a rotation list of qualified firms across multiple disciplines that have been approved through Resolution No. R24-291. CDM Smith, Inc. is the next firm on the rotation list. Staff has reviewed the submitted proposal and determined that it is fair, competitive, and reasonable pursuant to section 287.055, Florida Statutes.

How will this affect city programs or services? Approval of this item supports compliance with FDOT LAP requirements, maintains project eligibility for external funding, and ensures proper construction oversight, safety, and quality control throughout the SE 1st Street Streetscape Project.
