

City of Boynton Beach Agenda Item Request Form

Meeting Date: 07/15/2025

Proposed Resolution No. R25-180- Approving a Piggyback Agreement between the City and DoneRite Pumps, Inc. for Electric Motor Pump Repair & Installation Services in an amount not to exceed \$45,000 annually until April 21, 2028.

Requested Action:

Staff recommends approval of Proposed Resolution No. R25-180.

Explanation of Request:

The Parks & Grounds Division is requesting approval to piggyback the City of Delray Beach Contract No. 2025-024 with DoneRite Pumps, Inc. for electric motor pump repair and installation services with an annual expenditure of \$45,000 for the extent of the contract term, which expires April 21, 2028.

The services provided by DoneRite Pumps, Inc. include inspection, troubleshooting, removal, and installation of pump systems, warranty services, welding services, and emergency repair services as needed.

This purchase will be made through the piggyback exemption of the procurement code. Piggyback contracts significantly benefit the City of Boynton Beach by providing a cost-effective and efficient way to procure goods and services. By leveraging agreements already in place with other governmental entities, the City can avoid the time-consuming and expensive process of issuing its own competitive bids. This allows quicker access to needed resources while often securing more favorable pricing due to the economies of scale achieved through larger contracts. Additionally, piggybacking ensures the City can tap into pre-vetted vendors who have already been thoroughly evaluated, reducing administrative burdens and risks associated with vendor selection. Ultimately, piggyback contracts streamline procurement, save taxpayer money, and improve the efficiency of City operations.

How will this affect city programs or services?

This will allow the City to secure services and reduce potential delays in critical pump repair and installation work.
