Requested Action:

Staff recommends approval of Proposed Resolution No. R25-176.

Explanation of Request:

The Public Works Department is requesting approval to move forward with this project and award a Purchase Order to Atlantic Southern Paving and Sealcoating in the amount of \$805,903.30. Additionally, a 10% contingency of \$80,590.33 is requested, bringing the total project cost to an amount not to exceed \$886,493.63.

At the March 18, 2025, City Commission Meeting, the Commission reviewed and approved the FY2025 Paving Plan. Among the approved tasks was the resurfacing of Golfview Harbor. In the fall of 2024, the City completed a similar resurfacing project for the main arterial roads within the community. The remaining portions of the neighborhood now require resurfacing due to a failing micro-surfaced riding layer application that is beyond its service life.

The completion of this project will provide a complete network of newly resurfaced roads within the Golfview Harbor Community.

How will this affect city programs or services? This resurfacing project will significantly improve roadway conditions in the Golfview Harbor area, reinforcing the City's commitment to infrastructure maintenance and public safety. The project is not expected to negatively impact any other city programs or services. It will provide enhanced benefits to pedestrians, cyclists, and motorists who travel these roads daily.

Budgeted Item: Yes

Account Line Item and Description:

Street Maintenance and Improvements: 302-4905-541-63-08 Project TR25XX.

Fiscal Impact: A budget amendment to Fund 302 is required and will be approved under a separate item.
