

COMMUNITY REDEVELOPMENT AGENCY BOARD MEETING OF: November 10, 2025

NEW BUSINESS

AGENDA ITEM 15.F

SUBJECT:

Consideration of an Interlocal Agreement between the CRA and the City of Boynton Beach for Funding BBPD Video Surveillance Cameras

SUMMARY:

On May 13, 2025, the CRA Board directed staff and legal to add an agenda item to discuss avenues for the CRA to enhance support in the CRA area for the CRA's Neighborhood Officer Program (NOP), code enforcement, and beautification efforts.

As part of the FY 2025-2026 Budget Adoption, the CRA Board approved \$60,000 to fund BBPD Video Surveillance Cameras.

To implement this initiative, an Interlocal Agreement is required to enable the CRA to reimburse the City for costs associated with the BBPD Video Surveillance Cameras. Funding will be provided on a reimbursement basis.

Under the ILA, the City will purchase and install new video surveillance cameras at roadway intersections and shopping plazas located inside the CRA's boundaries. The City will attach signage with verbiage similar to "this area is under active video surveillance." The City and CRA believe that the presence of video surveillance cameras will aid in the elimination of crime, reduction of traffic hazards and increase the visible presence of police in the CRA's boundaries.

The draft ILA has been provided as Attachment I. Once approved, the ILA will go before the City Commission for final approval.
