

COMMUNITY REDEVELOPMENT AGENCY BOARD MEETING OF: July 8, 2025

LEGAL

AGENDA ITEM 6.A

SUBJECT:

Legislative Update

SUMMARY:

House Bill 991 was filed February 24, 2025. A related Senate Bill, SB 1242, was filed on February 25, 2025.

At the March 20, 2025 meeting, the Board directed the Acting Executive Director to move forward with engaging LLW to pursue lobbying efforts in concert with the City and the Florida Redevelopment Association. LLW acted as the City's lobbyist during the remainder of the regularly-scheduled legislative session.

The regularly-scheduled term of the legislative session ended May 2, 2025, with neither the House nor the Senate passing language amending the CRA Statutes. The legislature reconvened on June 6, 2025, but only to consider budget- and tax budget- related bills.

Barring any unforeseen circumstances, it appears the proposed CRA legislation has been successfully defeated for this year. LLW will continue to monitor the session extension for CRA issues.

At time of publication, no changes to this item have occurred since the May CRA Board meeting.
