

City of Boynton Beach Agenda Item Request Form

Meeting Date: 07/15/2025

Proposed Resolution No. R25-178- Approve a purchase order to Atlantic Southern Paving and Sealcoating, LLC for the project TR25XX- Task 230- MLK Jr. Boulevard Resurfacing, for \$310,654, plus a 10% allowance of \$31,065, for a total not exceeding \$341,719.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-178.

Explanation of Request:

This project will address the aging roadway conditions along MLK Jr. Blvd. by milling and resurfacing select segments, correcting curb flares, upgrading ADA elements, and replacing damaged sidewalks and pavement markings. The project includes base repairs, traffic loop coordination, and re-sodding disturbed areas.

The proposed improvements align with the City's infrastructure goals and were developed through a detailed engineering review. The plans include updated thermoplastic striping, ADA sidewalk corrections, and curb ramp installations per MUTCD and Palm Beach County standards.

This purchase will be made through the City's existing contract with Atlantic Southern Paving and Sealcoating, LLC, established under Invitation to Bid (ITB) No. PWE22-008, which remains active through April 4, 2026. Pursuant to the contract terms, both Atlantic Southern Paving and Sealcoating, LLC, and All County Paving are required to submit quotes. However, All County Paving declined to provide a quote due to current workload constraints. Given the circumstances, staff believes it is in the best interest of the City to proceed with Atlantic Southern Paving and Sealcoating, LLC, and respectfully requests Commission approval to issue a purchase order accordingly.

How will this affect city programs or services?

The project will support safe travel for vehicles, cyclists, and pedestrians; ensure ADA compliance and accessibility for all residents; reduce long-term maintenance costs; and improve the appearance and usability of a high-traffic corridor.
