The Region 4 ESC, from the State of Texas, acting by and through Omnia Partners, competitively procured - Purchase of Apparel, Uniforms, Accessories, Products, and Services.

This purchase will be made under the Piggyback Exemption authorized by the City's Purchasing Policy. Piggyback contracts provide significant value to the City of Boynton Beach by offering a cost-effective and efficient method of procurement. Leveraging contracts competitively awarded by other governmental entities allows the City to avoid issuing its own formal solicitation, which can be time-consuming and resource-intensive. This process accelerates access to needed goods and services while benefiting from favorable pricing achieved through economies of scale. Additionally, piggyback agreements utilize vendors who have already undergone a rigorous competitive evaluation, reducing administrative workload and mitigating risks associated with vendor performance. Overall, piggyback procurement streamlines operations, saves taxpayer dollars, and supports timely and effective service delivery for City departments and residents. There are no recurring yearly costs for maintenance or service.

This approval will allow for the purchase of uniforms and accessories for our Police, Fire, and General Employees. This will enable continued fitting of uniforms and accessories for the City employees to maintain a standard of professionalism and function to perform their daily tasks and obligations.

The contract allows for two (2) additional one-year renewals with a final expiration date of September 30, 2030.

How will this affect city programs or services? This will enable continued fitting of uniforms for Police, Fire and General Employees.
