**Proposed Ordinance No. 24-004- Second Reading- An Ordinance of the City of Boynton Beach, Florida, amending Chapter 2.5, "Alarm Systems," to clarify Fire Department fees for responding to excessive false alarms; providing for repeal of laws in conflict, severability, codification and an effective date.**

**Requested Action:** Staff recommends approval of Proposed Ordinance No. 24-004, on Second Reading.

---

### **Explanation of Request:**

Paragraph added to section 2.5-13(b) to differentiate police department false alarm fees from fire department false alarm fees; however, there is no change to the fee schedule.

**How will this affect city programs or services?** Approving the amendments will eliminate confusion regarding the interpretation of the ordinance.

**Fiscal Impact:** None. The Fire Department will continue to collect additional fees for responding to excessive false alarms.
