

City of Boynton Beach Agenda Item Request Form

Meeting Date: 03/18/2025

Proposed Resolution No. R25-080- Approval of a Piggyback Agreement between the City and International Sweeping, Inc. d/b/a Facilities Pro-Sweep for Street Sweeping Services in an amount not to exceed \$200,000 per year.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-080.

Explanation of Request: On April 5, 2022, the City Commission approved an annual expenditure of \$85,000 for street sweeping services provided by Facilities Pro-Sweep of West Palm Beach, including emergency and special event services, by piggybacking on Palm Beach Gardens Contract No. ITB2016-065PS, which is set to expire on September 30, 2026.

The Public Works Department is now requesting an increase in the approved annual expenditure, bringing the total amount to a not-to-exceed \$200,000.

These street sweeping services help remove sand, dirt, stray trash, stains, and miscellaneous debris from roadways and curbs, contributing to cleaner streets and supporting the City's Beautification efforts.

Additionally, the City of Palm Beach Gardens' bid process satisfies the City's competitive bidding requirements.

How will this affect city programs or services? The requested increase will ensure the continuation of street sweeping services, preventing debris buildup throughout the year. This will also benefit the storm water drainage systems by reducing pollution, while helping maintain a cleaner environment for our residents, business and visitors.
