City of Boynton Beach
Agenda Item Request Form

Meeting Date: 02/18/2025

Proposed Resolution No. R25-048- Approve a Piggyback Agreement between the City of Boynton Beach and Morton Salt, Inc., for the purchase and delivery of Sodium Chloride in an amount not to exceed $200,000 per year annually.

Requested Action:

Staff recommends approval of Proposed Resolution No. R25-048.

Explanation of Request:

City Contract Period commences upon execution by the parties and continues through December 10, 2025.

The Utility utilizes sodium chloride at the East Water Treatment Plant to regenerate the resin used in the Magnetic Ion Exchange (MIEX) process. The regenerated resin is used in the MIEX treatment process to remove hardness and other undesirable characteristics from the City's drinking water. The Utilities Department is requesting piggyback of the Palm Beach County Bid No.22-090R/MB to obtain sodium chloride for this treatment process from Morton Salt, Inc. The County's contract was executed on December 11, 2022, with an initial twelve (12) month term with the option to renew for four (4) additional twelve (12) month periods. The County has currently exercised two of the renewal options, and the County contract currently expires on December 10, 2025. The piggyback agreement may be renewed on the same terms and conditions as the County contract upon mutual written agreement. The Palm Beach County contract meets City of Boynton Beach procurement requirements.

How will this affect city programs or services? This product is necessary for water treatment.

Budgeted Item: Yes

Account Line Item and Description: 401-2811-536.52-35, Process Chemicals

Fiscal Impact: The annual fiscal impact is $200,000.
