AGENDA ITEM 15.B

SUBJECT:

Discussion and Consideration of Community Input Survey for 480 W. Boynton Beach Blvd. and Surrounding Properties

SUMMARY:

During the Special Meeting held on January 20, 2026, the CRA Board discussed the importance of obtaining community feedback to help inform redevelopment efforts for the property location at 480 Boynton Beach Boulevard and the surrounding 13 parcels.

In alignment with that direction, staff has compiled a comprehensive list of survey questions designed to gather community input on redevelopment priorities, desired uses, and overall vision for the site. To view the proposed survey, please see Attachment I or the [online version](#).

Upon CRA Board approval, staff will distribute the survey throughout the community using a multi-channel outreach approach to maximize participation, including:

- Door hangers in neighborhoods surrounding the project site
- Digital marketing and social media platforms
- Print marketing via a utility bill insert

The feedback collected will be summarized and presented to the CRA Board for review.
