

City of Boynton Beach Agenda Item Request Form

Meeting Date: 04/ 1/2025

Proposed Resolution No. R25-085- Approve a Piggyback Agreement between the City and Blue Iguana Pest Control, Inc. d/b/a Iguana Control for reptile control services in an amount not to exceed \$80,080.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-085 .

Explanation of Request: Recreation and Cultural Services is proposing a piggyback contract to manage and eradicate exotic and nuisance reptiles from all city-owned parks and property. These nuisance wildlife create health and safety concerns for patrons and cause significant damage to City property.

Piggybacking at the City of Boynton Beach is an important strategy for maximizing efficiency and cost savings in procurement processes. By leveraging contracts and agreements that have already been competitively bid and awarded by other governmental entities, the City can avoid the lengthy and resource-intensive process of issuing its own bids. This allows for faster acquisition of goods and services, ensuring that City projects and operations continue smoothly without unnecessary delays. Additionally, piggybacking promotes fiscal responsibility by enabling the city to take advantage of favorable pricing and terms that have already been negotiated, ultimately benefiting taxpayers. It also fosters collaboration among local governments, enhancing resource sharing and creating opportunities for better service delivery to the community.

It should be noted to the City Commission that Blue Iguana Pest Control, Inc. d/b/a Iguana Control, is a local Boynton Beach vendor located within the city limits.

How will this affect city programs or services? The eradication of these nuisance reptiles will create a safer and more welcoming environment for all patrons and decrease the amount of pest-related damage at all sites.
