#### **AGENDA ITEM 15.C**

##### **SUBJECT:**

Consideration of an Interlocal Agreement between the CRA and the City of Boynton Beach for Funding Beautification Technician (CRA) Positions

##### **SUMMARY:**

On May 13, 2025, the CRA Board directed staff and legal to add an agenda item to discuss avenues for the CRA to enhance support in the CRA area for the CRA's Neighborhood Officer Program (NOP), code enforcement, and beautification efforts.

As part of the FY 2025-2026 Budget Adoption, the CRA Board approved \$147,000 to fund two (2) Beautification Technicians (CRA).

To implement this initiative, an Interlocal Agreement is required to enable the CRA to reimburse the City for costs associated with the Beautification Technician (CRA) positions. Funding will be provided on a reimbursement basis.

Under the ILA, the City will ensure each Beautification Technician is assigned the CRA Area with a focus on the beautification, maintenance, and enhancement of publicly owned spaces, including but not limited to park entrances, roadway medians, and areas adjacent to Federal Highway. The Technicians may also assist with landscape/landscape design of roadway medians.

The draft ILA has been provided as Attachment I. Once approved, the ILA will go before the City Commission for final approval.
