Proposed Resolution No. R26-028- Approve Amendment No. 1 to the Piggyback Agreement between the City and IPS Group, Inc. for parking management solutions for the City's parking enforcement services.

Requested Action: Staff recommends approval of Proposed Resolution No. R26-028.

Explanation of Request:

Request for Additional Funding to Cover Equipment Costs

The piggyback contract with IPS Solutions, approved by Resolution No. R25-151 during the Commission meeting on June 3, 2025, provides an annual service fee of \$50,000; however, this amount does not include the necessary equipment costs. Staff is requesting an amendment to the original contract to include a one-year equipment fee for a total of \$120,000. Beginning in the second year, the cost will revert to the standard \$50,000 annual service fee. This adjustment is essential to ensure full implementation and maintain operational continuity.

How will this affect city programs or services? Improve parking services, streamline the process creating a convenient method of payment.

Budgeted Item: Yes

001-2517-545-4917 Other Contractual Services.

Fiscal Impact: Total increased to \$120,000, to include fees associated with equipment purchase. Equipment fees wasn't added to original agreement.
