Approve the renewal and annual expenditure for the one-year extension for RFPs/Bids and/or piggybacks for the procurement of services and/or commodities over \$100,000 as described in Exhibit A for April 15, 2025 - "Request for Extensions and/or Piggybacks."

Requested Action: Staff Recommends Approval

Explanation of Request:

As required, the Finance/Procurement Department submits requests for award to the Commission; requests for approval to enter into contracts and agreements as the result of formal solicitations; and to piggyback governmental contracts. Options to extend or renew are noted in the "Agenda Request Item" presented to Commission as part of the initial approval process. Procurement seeks to provide an accurate and efficient method to keep the Commission informed of pending renewals and the anticipated expenditure by reducing the paperwork of processing each renewal and/or extension individually and summarizing the information in Exhibit A (as required).
