

City of Boynton Beach Agenda Item Request Form

Meeting Date: 07/15/2025

Proposed Resolution No. R25-187- Approval of a Piggyback Agreement between the City of Boynton Beach and Martin Fence utilizing the City of Greenacres Bid No. 23-003 for Fence Installation, Maintenance, and Repair Services, not to exceed \$250,000 City-wide annually.

Requested Action:

Staff recommends approval of Proposed Resolution No. R25-187.

Explanation of Request:

City staff is proposing to utilize a piggyback contract for fence installation, maintenance, and repair services. This contract will be established through the City of Greenacres Bid No. 23-003 (Master Agreement). This agreement is valid until January 8, 2026, and includes an option for a one-year renewal.

The Mayor has been authorized to execute any amendments required for this renewal.

City staff is seeking approval for annual expenditures related to this contract, with a limit not to exceed \$250,000.

This purchase agreement is procured through the piggyback exemption. Piggyback contracts significantly benefit the City of Boynton Beach by providing a cost-effective and efficient way to procure goods and services. By leveraging agreements already in place with other governmental entities, the City can avoid the time-consuming and expensive process of issuing its own competitive bids. This allows quicker access to needed resources while often securing more favorable pricing due to the economies of scale achieved through larger contracts. Additionally, piggybacking ensures the City can tap into pre-vetted vendors who have already been thoroughly evaluated, reducing administrative burdens and risks associated with vendor selection. Ultimately, piggyback contracts streamline procurement, save taxpayer money, and improve the efficiency of City operations.

Furthermore, the City of Greenacres' original bidding process for this master agreement has been deemed to satisfy the City's own competitive bidding requirements, streamlining the procurement process. All pricing will be checked and verified by the respective department prior to issuing a purchase order to ensure compliance.

How will this affect city programs or services?

Utilizing the City of Greenacres piggyback contract for fence services will positively impact programs by saving time and money. This streamlined process allows the city of Boynton Beach to quickly get quality fence installation and repairs for parks and facilities, keeping them safe and well-maintained. This also frees up City staff and resources to focus on other vital community programs, increasing overall efficiency.

Budgeted Item: Yes

Account Line Item and Description: 001-2511-519.49-17 Public Works, Facilities, Other Contractual Services.

Fiscal Impact: This is a budgeted item.
