

## City of Boynton Beach Agenda Item Request Form

**Meeting Date:** 09/18/2025

**Proposed Resolution No. R25-261- Approving a Change Order to Purchase Order No. 251732, increasing the total amount payable from \$81,931.52 to \$139,222.10 for the purchase of three Lucas Chest Compression Systems from Stryker Medical ProCare Services.**

**Requested Action:** Staff recommends approval of Proposed Resolution No. R25-261.

---

**Explanation of Request:** On March 18, 2025, the City Commission approved Resolution No. R25-066, approving the purchase order with Stryker Medical ProCare Services, a sole-source vendor and equipment manufacturer of Stryker Medical, to provide parts and equipment maintenance for four years in the amount not to exceed \$81,931.52.

Due to the need to purchase three new Lucas Chest Compression Systems to replace systems that are near the end of their service life, we are requesting an increase to the purchase order.

Stryker Medical ProCare Services is the sole provider of parts and equipment maintenance for Stryker Medical, which is used for emergency care products. Acquiring new defibrillators is imperative for Emergency Medical Services. This increase will ensure the acquisition of life-saving emergency medical equipment and devices.

This purchase is being made pursuant to the Sole Source Procurement Exemption outlined in Section X, Alternatives to Formal Sealed Bids, of the procurement policy. This section permits Sole Source Services and Purchases when it is determined that only one viable source is available. Such circumstances may include, but are not limited to, repairs or additions from the original equipment manufacturer, exclusive regional suppliers, franchised or licensed distributors, or proprietary items. The vendor has submitted the required documentation to the City, and the Procurement Division has affirmed that the documentation for this purchase meets the Sole Source Procurement Exemption criteria.

**How will this affect city programs or services?** Purchasing and maintenance of emergency medical equipment will ensure the continuity of services by keeping essential medical equipment available and good repair.

**Budgeted Item:** Yes

**Account Line Item and Description:** 001-2210-522-64-06 Safety Equipment

**Fiscal Impact:** This is a budgeted item.
