

City of Boynton Beach Agenda Item Request Form

Meeting Date: 07/15/2025

Proposed Resolution No. R25-191- Approve an Amendment increasing the annual expenditure for the Agreement with W.W. Grainger, Inc. for the purchase to obtain MRO Supplies on an as needed basis from \$120,000 to an amount not to exceed \$190,000.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-191.

Explanation of Request: On December 17, 2024, the City Commission approved Resolution No. R24-326, authorizing an agreement with W.W. Grainger, Inc. to purchase MRO supplies with an annual expenditure of \$120,000.

The increase is for the continued spending on MRO supplies and a recent program with W.W. Grainger to provide shoes for union employees. The authorized increase is necessary to maintain supplies for City departments. Supplies include hardware, electrical, and safety. They are necessary to provide safe working conditions and the proper tools and equipment needed to perform various jobs.

This purchase agreement piggybacks Omnia Partners MRO Contract. Omnia Partners is a purchasing organization for state and local government, K-12 education, colleges, and universities. All contracts available have been competitively solicited and publicly awarded by a government entity serving as the lead agency, utilizing industry best practices and processes. Piggyback contracts significantly benefit the City of Boynton Beach by providing a cost-effective and efficient way to procure goods and services. By leveraging agreements already in place with other governmental entities, the City can avoid the time-consuming and expensive process of issuing its own competitive bids. This allows quicker access to needed resources while often securing more favorable pricing due to the economies of scale achieved through larger contracts. Additionally, piggybacking ensures the City can tap into pre-vetted vendors who have already been thoroughly evaluated, reducing administrative burdens and risks associated with vendor selection. Ultimately, piggyback contracts streamline procurement, save taxpayer money, and improve the efficiency of City operations.

How will this affect city programs or services? This will enable City's Staff to perform work properly and safely.

Budgeted Item: Yes

Account Line Item and Description: 502-0000-141-0100 - Inventory Account

Fiscal Impact: This is a budgeted item.
