

City of Boynton Beach Agenda Item Request Form

Meeting Date: 06/ 3/2025

Proposed Resolution No. R25-155- Approve Mutual Aid Agreement between Phillips and Jordan, Inc., and the City of Boynton Beach for Hurricane/Disaster Debris Removal, Reduction and Disposal, piggybacking the Solid Waste Authority of Palm Beach County and Phillips and Jordan, Inc., Agreement No. 22-201C.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-155.

Explanation of Request:

On April 15, 2025, the Commission approved the renewal and annual expenditure for one-year extensions of RFPS, bids, and/or piggybacks exceeding \$100,000.

Although the Mutual Aid Agreement related to this piggyback was not included at the time, the vendor has since provided the agreement for execution. The piggyback was already approved through the April 15th Commission action; however, staff is now seeking Commission approval to formally execute the mutual aid agreement based on that prior authorization.

The agreement allows the Public Works Solid Waste Division to enter into the cooperative arrangement with Phillips Environmental to support mutual assistance during emergencies and extend the contract through May 7, 2028.

How will this affect city programs or services? Execution of the Mutual Aid Agreement will enhance the City's ability to provide uninterrupted and efficient services during times of increased demand, emergencies, or resource constraints.
