

City of Boynton Beach Agenda Item Request Form

Meeting Date: 03/18/2025

Proposed Resolution No. R25-077- Approve a Cooperative Acceptance Agreement with Cintas Corporation No. 2 and issue Purchase Orders to Cintas Corporation No. 2 by piggybacking OMNIA cooperative contract, number 00129, which expires May 31, 2028, to provide Workplace Solutions to the City of Boynton Beach on an as-needed basis for an annual expenditure of \$65,000.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-077.

Explanation of Request: The University of Nebraska has established a cooperative contract, number 001299, with Cintas Corporation No. 2 to provide comprehensive workplace solutions. This agreement, effective from June 1, 2023, through May 31, 2028, includes options for a five-year renewal, extending the term through May 31, 2033. The contract encompasses a range of services such as uniform rental, purchase, and lease; floor mats, mops, towels, and linens; restroom supplies; first aid and safety supplies, including AEDs; fire protection services; and promotional products. The University of Nebraska, acting as the lead agency, has partnered with OMNIA Partners to make this contract available to other public agencies nationwide, including state and local governmental entities, educational institutions, non-profit organizations, and other public benefit agencies. This collaboration aims to streamline procurement processes and offer competitive pricing for participating entities.

Using OMNIA Partners is crucial for the City of Boynton Beach as it streamlines the procurement process, ensuring efficiency, transparency, and cost savings. By leveraging the cooperative purchasing power of OMNIA Partners, the city gains access to pre-vetted, competitive contracts that have been negotiated with top-tier vendors. This eliminates the need for extensive individual bidding processes, reducing administrative burden and delays. Furthermore, OMNIA Partners provides the city with the best value by offering high-quality products and services at lower prices, ultimately ensuring that taxpayer dollars are spent wisely and effectively. The streamlined approach enhances operational efficiency, ensures that the city remains accountable, and delivers the best possible outcomes to its residents.

Staff has reviewed the products and services offered through this contract and expects an annual expenditure of \$65,000 annually through May 31, 2028.

How will this affect city programs or services? The City would be able to utilize these facility services as needed.
