Proposed Ordinance No. 25-029- Second Reading, An Ordinance of the City Commission of the City of Boynton Beach, Florida, in association with the Palmyra annexation, amending Ordinance No. 02-013 to rezone an approximately 27.04 acre parcel of real property from Palm Beach County's Planned Unit Development (PUD) to City of Boynton Beach's Planned Unit Development (PUD); declaring the proposed amendment to be consistent with the comprehensive plan of the City; providing for severability, conflicts, and providing for an effective date.

Requested Action: Staff recommends approval of Proposed Ordinance No. 25-029, at Second reading.

Explanation of Request: The existing area is located in unincorporated Palm Beach County that has contiguity with the City of Boynton Beach on the east and southern boundaries. The site is currently zoned Palm Beach County's Planned Unit Development (PUD). While there is a concurrent application for annexation, a site is required to be rezoned to the City of Boynton Beach's zoning classification at the time of zoning. The request is for a rezone to Planned Unit Development (PUD) in association with the Palmyra Annexation and is consistent with the current uses of the site.

How will this affect city programs or services? See Palmyra Annexation for full analysis.
