

City of Boynton Beach Agenda Item Request Form

Meeting Date: 07/ 7/2026

Proposed Resolution No. R26-113- Ratifying the application and approving the agreement for the Library Services and Technology Grant between the City and the State of Florida in the amount of \$7,000 and authorizing the execution of all future documents associated with the grant, subject to the review of the City Attorney's office.

Requested Action: Staff recommends approval of the proposed Resolution No. R26-113.

Explanation of Request:

The City of Boynton Beach has been awarded the Library Services and Technology Act (LSTA) Grant for the We the Makers project.

The Library Services and Technology Act (LSTA) is a competitive major federal grant program for libraries. The LSTA is administered by the Florida Department of State and will provide \$7,000 in grant funds.

The project will offer a Library of Things collection of circulating items available to adults, seniors, and urban residents who lack practical access to tools or workspace. The project also includes a two-hour hands-on America250 program where participants engage with the collection through interactive stations focused on practical skills, creative exploration, and community participation. The grant period runs through September 30, 2026.

The agreement is on the State's form, and requires the City to indemnify the grantor.

How will this affect city programs or services?

This ratification will authorize the receipt of the LSTA grant award. The project expands the library's offerings to the community at no additional cost to the City, as it is fully funded through the LSTA grant award.

Account Line Item and Description: LSTA grant accounts

Fiscal Impact: There is no fiscal impact to the city. The project is fully funded through the LSTA grant award in the amount of \$7,000. No City match is required.
