

Memorandum

REPORT TO: Study Commission

FROM: Caeleb Heinen, Recording Secretary
Mike Maas, Ex Officio

SUBJECT: Presentation on City of Bozeman's Growth, Sustainability, Land Use, Zoning and Housing

MEETING DATE: October 15, 2025

AGENDA ITEM TYPE: Citizen Advisory Board/Commission

RECOMMENDATION: Participate in a presentation on the City of Bozeman's Growth, Sustainability, Land Use, Zoning and Housing hosted by speakers, Sustainability Program Manager, Natalie Meyer, and Community Development Manager, Chris Saunders.

STRATEGIC PLAN: 1.1 Outreach: Continue to strengthen and innovate in how we deliver information to the community and our partners.

BACKGROUND: The Study Commission is asking staff to please answer the following questions:

- How does the City Charter Interface with your work
- How do you engage or utilize the advice from the City Board that effects your work (I think Community Development and Sustainability)
- What, if any, possible structural changes should be considered for the City Charter to enhance the work that you do?

Specific to Community Development:

- Please provide a summary or description of City Planning Documents--- Community Plan, Capital Improvements Plan, Zoning Maps, others?.
- How do these plans interface with the present CITY CHARTER?

Specific to Sustainability:

- Please describe the City's Sustainability efforts and roles.
- The Charter seems silent on the issue of sustainability, should it be? If so, how?

UNRESOLVED ISSUES: None Identified
