

Memorandum

REPORT TO: Study Commission

FROM: Mike Maas, Ex Officio

SUBJECT: Discuss Goals of the Study Commissioners

MEETING DATE: February 19, 2025

AGENDA ITEM TYPE: Citizen Advisory Board/Commission

RECOMMENDATION: Discuss and Define goals for the Study Commission to guide the work of the government review.

STRATEGIC PLAN: 1.1 Outreach: Continue to strengthen and innovate in how we deliver information to the community and our partners.

BACKGROUND: The Study Commission determined that in order to frame the timetable discussion of activities for the Study Commission, identifying the goals of the group is necessary first.

At the February 6 meeting a preliminary set of goals were drafted. This will be to adopt the goals that will guide the Study Commission's work through the government review process culminating in the Final Report.

The quote from the Local Government Center's online training that was discussed at the last meeting to keep in front of mind is: "Con-con delegates sought to revitalize citizen confidence in local government and empower county and local governments as they absorb greater levels of governing responsibility to respond effectively and efficiently to community specific challenges."

UNRESOLVED ISSUES: None identified

ALTERNATIVES: As per the Study Commission

FISCAL EFFECTS: None
