BACKGROUND: This item was originally scheduled for action on January 26, 2021. Due to technical issues that meeting was adjourned prior to this item on the agenda. It has now been rescheduled for this meeting.

The City of Bozeman, County of Gallatin, and the Bozeman School District established the Pedestrian and Traffic Safety Committee in an [Interlocal Agreement](#) dated December 22, 1976, and on file at the Gallatin County Clerk and Recorder's Office. Duties on this Committee advise all three of those governmental bodies on matters of both motorized and non-motorized travel safety in the greater Bozeman area.

Under an Interlocal Agreement dated February 6, 1990 the Pedestrian and Traffic Safety Committee added one additional duty (i.e., to serve as a sounding board for proposals advanced to the Transportation Coordinating Committee).

The Committee's voting membership comes from four sources:

- the City appoints two members
- the County appoints two members
- the Bozeman School District appoints two members
- those six people can elect zero, one, or two additional At-Large voting members
